■ Art of the Table at Bilotta

Next week our friends at Bilotta Kitchens are hosting a fabulous design event in their show room just down the street in the A&D Building. Four talented designers will be showing off their skills at creating table-scapes.

The amazing Kent Brasloff is using a vintage **Galaxy** chandelier ([CH30](#)) from **MODULIGHTOR** in one of his two spaces. And one of our favorite people, Darrin Varden, is doing his own thing now after starting his firm earlier this year. Looks to be a really great opening night!
